

Student Right to Know

Arizona Culinary Institute is pleased to provide the following information regarding our institution’s graduation and completion rates. The information is provided in compliance with the Student Right to Know Act of 1990 (Public Law 101-542). The rates reflect graduation/completion status of First Time, Full Time students who enrolled during the 2006/07 school year and for whom 150% of the normal time-to-completion has elapsed. Please note that ACI has elected not to report our transfer-out rate since our institutions mission does not include providing students with the necessary preparations to enroll in other institutions. Rates do not include students who left the school to serve in the armed forces, on official church missions, or in the Foreign Service or federal government.
